PRESIDENT'S LETTER

JULY 1992

Dear Golf Coaches,

Hope you are enjoying the summer months!! Sometimes with the cool and inclement weather, I'm wondering if it is really summer.

Over sixty coaches attended our Annual Membership meeting at Lake Arrowhead on Monday, June 22.

For those of you that did not attend, the minutes of the meeting are enclosed. Listed below are some of the items that were discussed.

Our Boys, All State Team was announced. See the enclosed article. This year we had an excellent response with over ninety applications. Thanks to Steve Hird, all of the top golfers were nominated. Steve volunteered to contact the coaches that had outstanding golfers to remind them to send in their nomination form. Perhaps for the first time since our association has selected All State teams have we had the BEST GOLFERS nominated for these teams. In addition to our All State Playing teams we also received lots of nominations for our All Academic team.

A special thanks to those coaches who took the time to nominate their deserving golfers. Congratulations to all the

players and coaches for their selection to our All State teams. very informative.

During our annual meeting, a questionnaire was given to the coaches concerning several topics. One topic that was discussed at length was coaching on the course. Also discussed was coaches playing golf when their team is participating in a match. See minutes of our meeting for the response of the coaches present.

During our board of directors meeting, there was some discussion concerning the availability of golf logo tee shirts for sale at the state tournament sites. We are anticipating the sale of these tee shirts at the state tournament sites.

Each association member present received a cap/visor with our new association logo. Many caps/visors are available to association members for a nominal fee. See the order form enclosed.

Our summer clinic coordinator, Tom Conrad, did his usual excellent job with organizing our activities for the day. After our meeting, the coaches present were treated to an interesting clinic by Lake Arrowhead professional Joel Barth and golf professional, Bruce Woodward, head golf Professional from Meadowbrook Country Club in Racine. Bruce introduced the idea of teaching your students through the use of mirrors. The clinic presentation was

Then it was off to lunch followed by the golf outing on the well manicured Lake Arrowhead Golf Course. Results of our annual tournament are also enclosed., Hope you are enjoying your summer and playing lots of golf!!

"Golf is a game that steadies your nerves, toughens your muscles, improves your health and increases your stamina so you're strong enough to play again next week."

Sincerely,

Mary Beth Nienhaus

Minutes of the Annual Meeting WI State Coaches Association

Lake Arrowhead
Monday, June 22, 1992

The meeting started promptly at 8:40 am.

President Mary Beth Nienhaus welcomed all the coaches and announced that each coach present should have received a hat or visor with association logo and that shirts and sweaters have been made up and will be available for ordering. Order forms should be in the next Coach Approach.

Mary Beth Nienhaus introduced all board members and had them state their district and their responsibilities on the board. Board members present were: Mary Beth Nienhaus, Steve Hird, T.J. Dieck, Tom Conrad, Tim Hansen, Ken Kessenich, Don Marx and Singh Grewal.

Minutes of the 1991 Annual meeting were read by Ken Kessenich. The minutes were accepted for approval.

Mary Beth Nienhaus introduced all coaches from the WIAA boy's and girl's teams that had teams or individuals qualify for the State tournament.

Other Committee reports:

Singh Grewal reviewed the finances of the Coaches association for the 1991-92 year. It was reported by Mary Beth Nienhaus that the Coaches Association would try to sell tee shirts at State tournament play in 1992-93 as a fund raiser.

Steve Hird went over the all-state selection process for the 1992 boy's all-state team. To insure that the best players were nominated Steve Hird called and wrote 35 of the top players in the state. 80 nominations were received this year versus 36 in 1991. Due to the number of applications, Honorable Mention had to be limited in size.

The following teams were announced as the 1992 All-State Team:

1st Team

Brian Dahle, Lake Geneva Badger
Brad Nelson, Middleton
Andy Podolak, Racine St Catherine's
Chris Caulum, Madison Edgewood
Cody Pinkston, Medford
Andy Hahn, Schofield D.C. Everest
Mark Wilson, Wisconsin Lutheran

2nd Team

Jeff Walcott, Plymouth
Josh Klimek, Arcadia
Dan Steiner, Northland Pines
Richie Zidich, Tomah
Wade Carlson, Shorewood
John Shipshock, Hartland Arrowhead

3rd Team

Mark Stapp, Grantsburg
Aaron Hogden, Black River Falls
Josh Gossens, Middleton
Troy Schroeder, Medford
Carter Johnson, Waukesha South
Jeff Mathu, Luxenberg-Casco
Brian Mitchell, Wisconsin Dells
Aron Hogden, Black River Falls
Troy Schroeder, Medford
Jeff Mathu, Luxemborg-Casco

Mary Beth Nienhaus announced the following seniors to represent Wisconsin in the 1992 National H.S. Athletic Coaches Association All-American Prep National Golf Invitational in Connecticut:
Girls - Darby Schnarr, Madison Memorial
Boys - Brian Dahle, Lake Geneva Badger; Andy Podolak, Racine St. Catherine's (alternate)

It was announced that there were not any Hall of Fame nominations received for the 1991-92 year.

Mary Beth Nienhaus reviewed the spring clinic in 1992 and asked for feedback. Mary Beth mentioned that she was trying to confirm Dee Dee Owens for our 1993 Spring Clinic.

Under New business two areas of concern were addressed: Coaching on the course and coaches playing during

matches. Mary Beth Nienhaus conveyed to the coaches that though her opinion was that coaches should coach and not play that she would voice the opinion of the coaches association to the WIAA if either subject was brought up.

A show of hands was taken on the following questions: (approximate vote in favor/not in favor)

Should coaches coach only between green and tee? 80% 20%

Should coaches coach throughout the course? 25% 75%

Should coaches be allowed to play during the State Tournament?
5% 95%

Should Coaches be allowed to play during non-State tournament matches?
95% 5%

A questionnaire with these questions and others was distributed and filled out by each member present. Mary Beth Nienhaus reported that the WIAA would be sending each coach a Questionnaire of their own.

Don Marx brought up the strong possibility that our year end clinic and meeting would be in Madison at University Ridge in 1993. He said that cost would be an issue and would most likely be higher than the 1992 fee.

Without any further conversation Tom Conrad announced previous winners of the Coaches tournament and instructed the membership that the clinic would start at 10:00 am, lunch at 11:00 am and tee times would start at 12:00.

These are the minutes of the 1992 Wisconsin Golf Coaches Association Annual Meeting.

Minutes recorded by board member Steve Hird.
