

Team Academic All-State Awards

Fall, 2017 Girls Season

Criteria

1. The team GPA will be determined by the cumulative GPA of the five players who competed in the WIAA regional tournament on Sept 23-24, 2017. This year's deadline is Feb 23, 2018.
2. The team GPA will be based on a 4.0 scale. For schools who assign grade points higher than 4.0 for a grade of 'A', an official school representative must convert those GPA's to a 4.0 scale. Use the attached form as a worksheet prior to entering the data via an online form (this form is not mailed to anybody). **All GPA's must be on a 4.0, unweighted scale.**
3. **'Team'** will be defined as the roster submitted for the WIAA regional tournament on Sept 23-24, 2017.
4. The coach must be a paid member of the Golf Coaches Association of WI. Check your membership status at <http://golfcoacheswi.org/membership/>.
5. Three teams will be honored for the team academic award in each division. The team with the highest cumulative GPA in each division will be recognized and will receive a certificate for their school. Each team member will receive a gold medal. Second and third place teams will receive a certificate for their school, and the team members will receive silver and bronze medals respectively. Teams with at least a 3.25 cumulative GPA will receive a certificate for their school.
6. **Use this worksheet to start the process.** The submission of the data on the online form must represent a complete and accurate representation for your team.
7. An email was sent out on Feb 12, 2018 to all coaches on the current membership list, with the link to the online form included. If you did not receive an email, you need to cut and paste the following address to access the online form:
