- 5) Summer Clinic
 - a) Scobel / Brandy
Scobel asked for feedback on next year's summer clinic and the option of going back to Whistling Straits. Same pricing as last time we were there. Seems like everyone likes the Tuesday/Wednesday option instead of Monday/Tuesday. Brandy mentioned that if we want to go to a country club we will have to go back to Monday/Tuesday. Delo said that Blackwolf/Whistling would really like us back. Carole would like to have it up north next year. Scobel to make some calls to Northwoods and maybe Sand Valley for future years. The year before the Ryder Cup would be good timing for playing Whistling Straits. Going to announce tonight that summer clinic 2019 will be at Blackwolf Run/Whistling Straits. Motion to approve to approve by Becky. 2nd by Tonya. Approved 15-0.
- 6) Spring Clinic
Scobel to check into Green Bay for 2019. Looking into Friday night and Saturday for this. Lambeau Field tour, rules seminar, vendors. Need to also look into hotel options. Motion by Jay to approve. 2nd Eric Holen. Approved 13-0 (Brandy and Carole left for registration)
- 7) WIAA Report
 - a) [Tom S. - Email](#)
Talked about moving the boys season earlier or later. Consensus was to move it later if needed. One week earlier would be Memorial Day weekend. Scobel talked about moving Regionals a week earlier on a Thursday/Friday and condensing down the time between Regionals/Sectionals/State. Move state tournament site?
- 8) Hall of Fame and Awards
 - a) OB
Three nominations for HOF. None met approval. Two of the three wrote back saying that Distinguished Service award would be fine so these will be looked at for next year.
- 9) College Showcase
 - a) Delo / Becky / Scobel
 - i) [Coaches List](#)
July 8/9 We have 30 confirmed college coaches attending. Delo put together list of college coaches, Amac sent out an email, Delo/Becky called the coaches to talk about the showcase. Roundtable - working on Emmet Herb and Connor O'Neil as former players. Unfortunately Todd Oehrlein can't be there this year.
Talk about going younger as a separate event.

Scrobel thinks we need to make the course more playable.
