Membership has been steady the last few weeks as Academic All-State was announced and the clinic deadline approached. I expect it to pick up again during the spring season as we will have both girls and boys teams competing. 344 active members on 3-16 compared to 306 last year. We are still seeing a shift in schools choosing the school and staff memberships compared to the single coach membership which is great but we have to remind the head coaches to sign up all of their staff on the system.

- WPGA Junior events go live for junior members on March 31 at 6pm. Coaches will receive a junior calendar via mail soon. I will also email that calendar out in a PDF version, please pass it along to your players.
- We have 4 spring simulator events at the X Golf Locations. Brookfield & Madison - March 29, Mequon & Middleton - April 5.
- I have emailed Tom Shafranski several times about allowing kids to play in the Wisconsin Only Qualifier on June 13. He was not very interested in hearing me out and denied kids playing before state in this event. I forwarded the emails from Tom to Scrobel, Bobinski and McDonald to see what his responses were. I am not sure what else I can do about this.
- Excited to move our girls match play event to 3 days. It will now be the Girls Junior Championship and happy to partner with WSGA who brought Culvers into sponsor the event. We are looking to bring this event on the same level as the Boys State Junior event.
-

18) WIAA Report - Bobinski

-the WIAA may be changing the date for the State Boys Tournament this June - it sounds like it depends on Am and Dane County.

-we won't know anything until the Coaches Advisory.

19) Old Business

a) Coach of the Year

- GCAW (Amac) to send out an email to all coaches in the state asking for a Coach of the Year nomination around the time of Conference Tournaments or Regionals. If anyone gets more than one vote, they will be put on an online ballot. GCAW (Amac) would then send out an online voting ballot with those who received more than one vote to all coaches in the state during the week of Regionals with a due date around Sectionals. We decided to roll this out in the Fall of 2021.

b) Live Scoring - according to Tom Shafranski, the WIAA will not use Iwanamaker.

c) State Tournament Volunteers - an official Board level State Tournament Committee?

Jay has volunteered to chair a new committee.

20) New Business

a) Review By-Laws

-we will look at it in the summer. Brian Bobinski feels that we need to do an annual review.

Brian Scrobel made a motion to adjourn the meeting. Seconded by Jay. Approved.
