Discussion About Certifying High School Coaches As Rules Officials

Continued Discussion About Paying Rules Officials At Tournament Series Events

19. Jr PGA - Andy Landenberger

Thanks to all the coaches who promoted our events this year. We had another record year of entries and memberships.

I just confirmed that Wisconsin Club & Brown Deer will host our 2025 Junior Championship.

As we look to expand events each summer we could use more help at events. If any coaches would like to work any events next summer please let me know. We pay our player assistants for each event they work. This really enhances our tournament experience for players. You can pick and choose what dates and events work best for your schedule. I would love to employ some coaches at events.
